Nobles,

And time marches on. Fall is upon us. The leaves are all turning those beautiful orange and red colors, and falling all over our yards! Temperatures getting a little cooler, and days a lot shorter. I guess that means that since there is less we can do outside we can attend more of the Moolah events, inside? Our schedule finally starts slowing down a little this month. There is some breaking news about the Auction scheduled for November 15. The committee, headed up by the High Priest and Prophet Lenny Martin, decided to take the auction in a different direction. Conforming to the times, our auction will be held “on line”. There will be nothing at the Temple on November 15. The auction committee has done and will continue to do an excellent job putting this program together. I congratulate Lenny and his committee. Please check the article by Lenny in this issue of the Camels’ Tales for complete details.

Don’t forget our Beer Pairing Dinner on November the 6th. Executive Chef Jack MacMurray is preparing a five-course meal, each being paired with a beer from one of our local breweries. This event is open to Shriners and their friends. Don’t miss this opportunity to taste the best of St. Louis.

November 19th Stated meeting. Steaks for dinner. Please donate accordingly. Meals are NOT free. Ladies are invited and welcome. Babysitting is available as usual. Please remember that you must show your current 2014 Shrine dues card to enter the building. You can take pictures of them and put them on your phone and that will work fine. We will also be drawing the name of the winner of the free dues for 2015 membership drive contest.

December 6th is the annual Holiday Ball. Only $35.00 for a full evening of entertainment. Top shelf open bar, dance to the music of BOOM. FREE babysitting available in the Noble Lodge outer room. Come on out and see all of your old friends. As a matter of fact, bring them with you. Please see the full page flyer in this issue and RSVP today. December 13th is Brunch with Santa in the Moolah Ballroom. This event is open to all Shriners, their families and friends. The next day is the second annual Hospital Patient Christmas Party. If you missed it last year you need to make a special effort to come out this year. The look on the kids’ faces say it all. Please call John Cordell 314-482-5235, to see how you can help the cause.

Are you ready for some BLUES HOCKEY! I’ve been asked a lot why we don’t have a Shrine night at the Blues Game? So we went to the Blues and they thought it was a great idea. So Monday night December the 8th, Blues versus the Florida Panthers. Only $28.00 per ticket. Deadline to order is November 13th. Limited seating at this price.

December 17 is our Stated Meeting and election of officers. This is a stag night. Ladies will not be attending. There’s a rumor that Santa may leave some gifts for the nobility that night.

November 27th is Thanksgiving, a time to be thankful for everything we have. For family, for our philanthropy, for our freedoms, and for what we are able to do to improve our world as Shrine Masons. Kathy and I wish each and every one of you a Happy Thanksgiving.

In all you say, in all you do, in every thought, remember, we are SHRINE MASONS and yes, we are making a difference.

Yours in the Faith,

Illustrious Sir Dennis Kelley
Make no mistake, in spite of all the turmoil in the world (internationally, nationally, and locally) God is still in charge. As a verse in the hymn “This is My Father’s World” says: “This is my father’s world. Oh, let me never forget. That though the wrong seems oft and strong, God is the ruler yet.” Scripture has plenty to say about this being God’s World. From the very beginning, Genesis tells us all about this being God’s World. David’s Psalm 24, vs.1 tells us again. “The earth is the Lord’s and everything in it. the world and all who live in it.” Is it any wonder our Fraternity refers to God as “The Supreme Architect of the Universe?

Our stewardship of the beautiful world God gave us, and our care for the people in it, express our reverence for God and is grounded in two Biblical principles. First, as mentioned above, the earth belongs to God. David praised the Lord for His creation and His ownership of it. He is sovereign over it (Psalm 93:1 & 2), and He cares for it (Matt.6:26-30). Second, God delegated the responsibility for the well-being of His earth to us (Gen.1:26-28). This includes appreciation of and care for both nature (Lev.24:2-5, 11; Prov. 12:10), and people, (Rom.15.2).

On top of all the physical trials and turmoil here in the USA, we face those who would have all reference to God removed from our Pledge of Allegiance; from coinage. We’ve already removed reference &/or prayer to God from some schools. Just an idea - No God - No gratitude - No accountability - No moral consensus regarding right and wrong; that’s arrogant. Law then replaces National Conscience. Our National conscience was shaped by a sense of personal accountability to God—the God of the Old and New Testaments. This IS God’s World, and Scripture also speaks to the danger of “removing God” from it. Maybe in no stronger terms than in Deut. 8 where Moses gives the Israelites a “pep talk” prior to their entrance into the Promised Land. In several verses, Moses gives them the “do’s and don’ts” of how they should live and honor God. And then in vs.19 they are told the consequences of “No God”. “If you ever forget the Lord your God and follow other gods and worship and bow down to them. I testify against you today that you will surely be destroyed.

May we as individuals and a Nation ever remember 2 Chron. Vs.14 “If my people who are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land.

Amen and So Mote It Be. God Bless.

It IS God’s World

We do not lose the ones we love
They only go before
Where there is everlasting life
Where sorrow is no more...
And there the soul will always live
And peace is everywhere.
We do not lose the ones we love
God takes them in His care.

Moolah Fundraising Auction Update

In keeping up with the changing world of Social Media, we have decided to shift the direction of our fundraising Auction from a Live Auction to an “On-Line” auction. After researching fundraising auctions we have found that the direction of most fundraising auctions is moving “On-Line”. By taking advantage of the internet and Social Media, we’ll be able to reach “thousands” of bidders rather than just a few hundred. And recent statistics show that profits are higher because we are reaching more bidders with limited overhead.

There is a link to our “On-Line Auction” on the Moolah Website www.moolah.org

This is a very exciting opportunity for us, and I am encouraging everyone to get involved and help get the word out! Send a note to your e-mail list and include the Moolah website and ask them to click the link to our “On-Line Auction”. Do the same thing on your Face Book, and any other Social Media site you use. TOGETHER we can reach thousands of people in just a few days.

Thank you for your help!

Mr. Zawojski and his company are in the process of constructing the fencing that will surround the hospital site.

Several Shriners and theirs wives from the Moolah Guides Unit visited the new hospital today, October 6, to serve the construction workers lunch as they work so diligently on our new hospital.
The Guides Unit served nearly 100 construction workers with porksteaks, homemade sides, and desserts free of charge to show their appreciation to the construction team building the new St. Louis Shriners Hospital.

It’s that time again when we celebrate that great holiday, Thanksgiving, having dinner with our family and friends followed by watching those football games.

This is the month we lose an hour with the loss of Day Light Savings. We also remember our Veterans, (Veterans Day) so thank a Vet for the freedoms we all enjoy. We will be participating in the Veterans Day Parade in Florissant, MO November 9th. We have participated in several parades this year and I want to thank all our members for their support.

There will be no more scheduled unit meetings this year as we head into the holidays. We will start up our meetings again next Spring.

TO ALL SHINERS You don’t have to own an old car to be a member of this unit, just have an interest in these cars and their heritage.

Did you know or do you care!
- November 11, 1928 Packard received a patent on the “Daphne at the Well” mascot, which was to be used as a hood ornament for a number of years.
- November 8, 1945 The first postwar Mercury is completed by the Ford Motor Co.
- November 18, 1936 Cord begins production of its 1937 models. This year’s cars will be the last Cords ever built. Only 1,146 units see final production.

A Funny:
A husband is someone who, after the trash out, gives the impression that he just cleaned the whole house.

START YOUR LEGACY TODAY!
Can you believe it? It’s November already. Where did the year go? September 14th was a busy day at Moolah. The Buick classic car show and the Barbecue contest had both parking lots full. The Car Show had fewer cars this year because of a scheduling conflict with the Horseless Carriage Club. Still it was well attended and money was made for the hospital. Our unit sold soda and water and a few snacks. All proceeds to be donated to the Hospital.

Our Holiday Dinner Dance is December 5th, in the “Oasis”. If you have never been to one of our dances our Holiday Dinner Dance is December 5th, in the “Oasis”. Have you ever felt your computer to be holding you hostage for the lack of a password you are not able to access due to a password change, not made by your hand, but rather another’s or some mystic force; foreign to the reason for and without your advice nor consent. That’s the imbroglio your writer has been in for the past week and a half.

Life is much better than that for the Chanters for this has been their banner year. Besieged with enough requests to sing that would even make a virtuosic coloratura hoarse. Not complaining… we love the work and are proud that so many have asked that we perform. As the Irish ditty goes, “Although we’re few in numbers we’re the finest in the land”. Which, by the way, brings up the enigma of the scarcity of members. If they’re any wannabe warblers out in Shrineland, Masonland or Anyland, send them, tell them, inform them, entice them, in any way possible, to give us a chance to show them our way to the enjoyment and the fulfillment of singing.

October events, beside any Potentate Call Outs, required singing at these venues:

- The laying of the NEW Shrine Hospital very heavy cornerstone, singing at the Scottish Rite Reunion, the Fall Ceremonial and Napthali Lodge for their 175th Anniversary. There was a lot of singing being done.
- November is still on the drawing board therefore, for a schedule of its events, wait for the December 2014 issue of the Camels’ Tales to find out what we did.
- It’s impossible to imagine a world without music and we Chanters plan to provide as much as we can. With your help finding us some new voices and new venues, we can provide that music we can all enjoy…singing and listening.

Who? We are a group that meets monthly to share activities, information and knowledge. We discuss members queries, issues and programs with computers, plan activities, hold working sessions and demonstrations on new technologies.

Why? The Moolah Shrine Computer Club is a group of professionals, computer enthusiasts and beginners who want to teach and learn about computing and having fun doing it.

When? Monthly meetings are the second Monday of each month. Meetings start at 7:00 pm. We first meet for demos and discussion and then move to the computer lab on the second floor next to the Moolah Shrine Store. There we have a chance to demonstrate and fix individuals problems. Check note on the door for location of demos and discussions. Come learn with us.

During September the Drum Corps participated in two parades to promote Shriner awareness in Missouri. On September 13 we gathered at Kirkwood Lodge and boarded our trailer for the Green Tree parade started at Kirkwood High School. Kirkwood is known as the Green Tree City. This parade has been in existence for many years and draws large crowds along the route. They even shut down Kirkwood Road for the parade. At the end of the parade is the fair in the park with many activities and crafts.

Then on September 20 we took part in the annual parade in Affton. We had a full crew with all 14 of our seats on the trailer taken up with players. The parade starts at Affton High School and goes down Mackenzie Road to Gravois and back to Mackenzie to the finish. We even saw one very interested spectator named Bob Atwell, our member and President of the Senior Club. They meet every 3rd Monday morning for cards and lunch. Check the Camels’ Tales for more details.

In the October Camels’ Tales a picture was printed in the Drum Corps column of a tall slim Navy recruit with the initials Richard Watts, Co-Chairman of Membership Committee. How did he get so tall and with black hair?

In last month’s column I forgot to thank Bob Atwell and Betty Westbrock for collecting for the Drum Corps paper drive in South County.

Congratulations to Al Jants who celebrated his birthday in September. Al celebrated 90 years young. We offered to buy him a piccolo but he prefers to carry his heavy drum which he has done since 1975. Keep up the good work, Al!

The Drum Corp recently donated to the Legion of Honor Flag Fund and to the Motor Patrol for the Hospital Ride in St. Charles.
Thanks to everyone who attended the New Hospital Cornerstone Ceremony. It shows the devotion that the members of Moolah have for their new Hospital.

I want to thank everyone who was involved in the Hospital Bike Ride. Thanks to those who did the cooking for this event as well.

The Guides also grilled a porksteak lunch for the construction crew at the new hospital. Thanks to you fellows and the ladies who helped with this.

Also a big thanks to those who helped at the Halloween party.

Bingo could always use help.

The Van could always use drivers. If you are willing to help at Bingo or drive the Van, please contact Dale Nagles or Robbie Dirkers.

Please remember in your prayers- Gary Cole as he went through heart bypass and is getting outpatient rehab; George Pryor’s wife was in Missouri Baptist Hospital and Truman Askins who needs our prayers.

Upcoming Events:
- November 2 – Walk for Love
- November 8 – Veterans Parade
- November 14 – Guides Social
- November 21 – Guides Meeting

This Thanksgiving remember all the things you are Thankful for!

Hello, from your Moolah Band: Man, O Manischewitz, did we have a great concert this week at Nazareth Living Center in South St. Louis season, entertaining a great audience who participated throughout. Almost all our members were there and played very professionally. Thanks, one and all. This is part of our service as Shriners, to serve the community and spread the word about our hospitals and the work they do for the kids. Residents at area retirement homes, where we are always warmly received, love the music and the fact that we are willing to share our time and talents with them. Residents often say they can tell how much we enjoy playing.

We are now preparing for our Christmas concerts, as well as Christmas With Santa at the Temple. Why not join us for the fun we have and participate in spreading the word of what Shriners do for the kids by supporting the Shriners Hospitals for Children. You may be a Noble who is looking for a home where you can make use of your musical talents! If that is the case, please give me a call or e-mail and I will answer any questions you may have. I promise that once you see the happiness we exude and the joy on the faces of the players, you will understand why we are in this unit.

Also, remember we are also a community band, so if your child or children play an instrument, he or she is welcome to play in the Band.

We meet Wednesday evenings at 7:30 to practice. Our concerts are mainly Wednesday nights at 7:00, and on some Tuesdays. We would love to have you participate with us.

We always leave ‘em smiling!

NOTICE OF MEETING

The Commander has ordered that the next meeting will be on 25 NOVEMBER 2014. The normal meeting time is 1900 (7pm) on 4th Tuesday, in the Moolah Shrine Center’s second floor unit room, across from the Moolah store, next to fez & memorabilia display cases.

We are sad that one of our charter members, John Price has died. We remember his great stories about “girlfriend” Rosy.

The unit participated in the October flag ride which was held in St. Charles, with the members presenting the colors at the reviewing stand and at the parade.

Five of our members participated in the “Feast of St. Charles” celebration and hope to do it again next year.

We plan to vote on the final version of the revised bylaws at this meeting, so your attendance is necessary.

Since the nominations & election of officers was held during the October meeting, we plan to have the installation again at the Christmas party, by International LOH 1st Lt. CDR., James Pulley.

Please mark your calendars for the unit’s Christmas party, which will be held on Tuesday evening 16 December, at Moolah Sheik’s club. An invitation will be mailed out for reservations.

Dues notices will be sent out during November. Please bring your check to the November meeting.

WE WELCOME ALL BRANCHES:
Army, Air Force, Navy, Marines, Coast Guard & Merchant Marine
The Reception Committee Paper Drive at Ladue Schnucks on September 20th was a success this year! A special thanks to Bob Mathewson, Paul Greenlaw, Flash Adams, Carl Barthold, Ben Allen and Matt Niedringhaus for taking a couple of hours out of their Saturday to raise money for a good cause.

The Fall Ceremonial in October is here! Please join the Reception Committee at 8:30 am Saturday, October 25th in our room to meet the new candidates and perhaps influence them to become members of your committee! This is a great way to meet and greet the candidates and see what the Reception Committee is about.

First Friday in October was awesome! If you haven’t had the fried chicken that we serve up, you don’t know what you’re missing! All of us at the Reception Committee would like to extend an invitation to all Nobles and their Ladies to join us on our next First Friday, November 7th. Keep in mind that the December First Friday, December 5th is our Christmas Party at the Reception Committee room.

Are you still looking for “the Queen of Hearts”? Your chances of finding her are great at the next Stated Meeting! Reception Committee is hosting our First Queen of Hearts Challenge. Buy your tickets at the next Stated Meeting ($1/ticket or 6/$5). At the end of the meeting, we will pull the ticket. The person whose ticket is drawn has a chance to choose from 51 cards to draw the Queen of Hearts. If that doesn’t happen, the pot will continue to grow. So bring your money and be a part of the fun!

Also, Reception Committee member, Leon Purser, has donated a signed autographed Shriner’s Hospital Die Cast Car to be raffled off in November at the end of racing season. See the Reception Room to get your ticket for this awesome prize! Thank you Leon for your generosity.

Officer nominations at the Reception Committee are coming up on us fast. Those interested in holding an office, please be sure to contact Matt Niedringhaus or John Spraul. For those who would like to be a member of Reception Committee, we welcome you and would be glad to have you!

There was a conflict with the hall rental which has been resolved; that is the reason for the date and place change. The party will now be held at the Cape Girardeau VFW (1049 Kingshighway, Cape) as it has in the past on December 13. This is a party in which all current and former patients of our hospitals are invited, along with the rest of their family, to a nice Christmas dinner. Santa Claus will be on hand to pass out gifts valued at about $20.00 to every child in attendance age 13 and under.

The Cape Shrine Club foots the bill for the hall rental, the food, Santa Claus, and the gifts. Patients and former patients as well as all the their family in attendance are our guests; the rest (and you too, if you come) are charged $15 each. The club has had this party every year for the past 20 years or so.

Christmas Party is the name of the game that weekend. Dinner starts at 6:00.

If you belong to AARP, or you could belong, you belong here on the THIRD MONDAY of each month.

We meet at 9 am, in the Guides Room and play some Gin Rummy or Poker until 11:30. Then we break for a short meeting and enjoy a brown bag lunch, then back to the Games!

Come when you want and leave when you want!

A Lifetime membership costs $1.00 (US) for which you will receive a “Card” attesting your membership in this August body!

TRY US, YOU WILL LIKE IT!

I hope everyone is enjoying our wonderful fall as much as we are at Nailah. We have been busy this fall planning, and helping with fundraisers. We have sold live wreaths for Christmas. Orders will be distributed the weekend after Thanksgiving. Also, we are helping with Moolah’s Auction Gala. Plus, we are in full swing planning for our major fundraiser to take place at the beginning of the year. We will also be having our traveling opportunity to own. We hope to see everyone at this unique event. We will have packages that have been shipped from all over the world and you will have the opportunity to purchase the package, discover its hidden contents, and take it home.

We can’t wait to see everyone at the auction gala, and we hope to see you at our events as well, or on the 3rd Monday of the month at one of our stated meetings.

Hope you all have a great start to the Holiday Season, Happy Thanksgiving!

It is hard to believe, our Supreme Queen’s visit is just a lovely memory. Everything was done to her satisfaction, including a tour of both Shriners Hospitals and a beautiful banquet in her honor. We were also pleased to have a Hospital representative and a former hospital patient and the Potentate and his Lady at our banquet. How honored Supreme Queen Marsha felt! The end of September, we honored our Supreme appointees at a party held at the Old Spaghetti Factory. A lovely time was had by all and we are so proud of our honored ladies. During October we also had our Turkey Dinner and Bazaar, which is our big money maker for the year. Thanks so much to all who attended and worked so very hard to make it a success. Then November 1st was our Trivia Night. This event is solely to raise funds to donate to the hospital. Thanks again to all who attended and worked.

All the big events for the year are now complete, so it is now time to begin plans for our Christmas party. This is always a special time when we share a pot luck with our Nobles before our regular stated session in December. Hope to see all of you there.

Of course, we are always making plans for Hospital parties and collecting needed items. At our Hospital visit we took a couple hundred teen related items along with about 50 child friendly pillow cases, but the Hospital is still in need of pillow cases and other teen items. Among things still needed are gift cards and hand held games. Our Queen Anne wishes to thank all who helped her make such wonderful contributions to the Hospital so far this year. All of their hard work got Sydyk Temple a new sewing job at our Hospital Visit. We were asked to sew 2-3 hundred teddy bear hospital gowns. Our ladies had fun making all kinds of different gowns for the teddy bear clinic at the 5K Walk for Love.

Hope to see you at the Christmas party and all future meetings, so you can meet our newly initiated members Lesley Anderson, Carol Luer, and Lorraine Matthews and enjoy the friendship of all the other members.

Happy Holidays!
Congratulations to Noble Lodge #684 and our junior Past Master Jeff Henty on earning the top achievement award presented at Grand Lodge communication September 29-30 in Columbia, MO. Jeff will be the first to tell you that this is a “Lodge” award, and thanks to the officers and members of Noble Lodge for your participation during the past year. This award recognizes all Noble Lodge and what its members do, and our participation in many endeavors allowed us to win this covenanted award.

Noble Lodge will be sponsoring a MOCHIP program at Moolah Temple on Saturday, December 13th during the Brunch with Santa. This is a very large undertaking and we will need over 20 volunteers to help out. We will start at 10:30 AM and be finished by 2:30 PM. If you (and/or your wife or other helpers) can help out for a couple hours, it would be appreciated. Contact Dan Coffey to sign up to volunteer at dan.coffey@att.net or call him at 314-707-2126. And if you can work or not, bring the kids or grandkids and get them chipped!

You can be the 1st line signer of your candidate’s petition. Only 1 signer of a Masonic petition needs to be from Noble Lodge, the other signer can be from any Lodge. Keep this in mind if you have a candidate. It all starts with you submitting the petition for your candidate. The petition will be received at our next meeting and your candidate will be notified. In most cases he will be invited to attend the next meeting, meet with the investigating committee and then his EA degree will be scheduled.

If you have any questions, contact the Master or Secretary from the information listed above.

After what seemed a short summer, with only a day with Anna in August, September 24th., found us together again in the beautiful Oasis Room.

Lou Jones arrived apparently hours before everyone and really dressed up our room. Noteworthy, were the RED STARS she made, honoring the individual Committee Members of our Club. Thanks Lou, everybody likes to receive a Star.

After opening our meeting, our president, Mary Rammelsburg, welcomed us and called on Karen Robertson, who gave an inspiring Invocation and led us in pledging Allegiance to our Flag.

First we were pleased to hear from our Honorary President, Kathy Kelley. After making her Introductions, she brought us up to date on future and past happenings at Moolah. Mary then made her introductions and our meeting proceeded with the necessary business.

As a promotion for the New Hospital Funds, we discussed and voted to purchase a $500.00 brick for the Hospital Walkway. Lou Jones was appointed to handle this matter. We also voted to participate in making two baskets for the upcoming Auction. We decided to fill one basket with Scratch Tabs, so bring all you can to our meeting, we really need them. Pat McElvoy is also going to make a Romantic Basket for the Auction. Now, that sounds interesting, Pat.

Lou and her crew served us another delicious luncheon and after the POG, WAM and the wreath that Lou Jones had donated was raffled off. We were pleased to hear from Diane Rodemacher, author of “Famous Firsts of St. Louis”. She related some mind boggling Firsts, too.

Thus ended another great Temple Club Meeting, and we left for home with even more reasons to be proud of our City.

This Is An Adult Show Not Rated For Children
Under bright blue skies, Shriners officials and 700 hundred guests gathered at the hospital to watch the Grand Lodge of Missouri perform the unique, sacred and rarely seen Masonic Cornerstone Ceremony.

The ceremony was conducted by the Grand Lodge of Ancient Free and Accepted Masons of Missouri, and was attended by Masons and Shriners throughout the Midwest (as far away as western Kansas!), as well as the Prince Hall Masons and Shriners, and numerous current and former patients. We were honored to have Imperial Potentate Dale Stauss and First Lady Cheryl Stauss, as well as Deputy Imperial Potentate Jerry Gantt and his lady Lisa in attendance.

Prior to the ceremony, our leadership spoke about the new hospital, including Board Chairman Ted Dearing, Administrator John Gloss and Dr. Charles Goldfarb, representing the hospital's medical and clinical staff, as well as Imperial Potentate Dale Stauss.

Katie Ladlie, national patient ambassador from the St. Louis hospital, also addressed the crowd, and enthusiastically explained why this was such a special day in her life.

She confided that as a patient, she felt that the cornerstone "really missed the mark" for being the important part of the building. "In my opinion, the most significant part of this building is the sliding glass doors when you enter the hospital," she said with a big smile.

Katie said that every time she has entered the hospital through the sliding glass doors, she was filled with hope and expectations that when she exited through the glass doors, her life and situation was going to be better.

"It was through those sliding glass doors, that I received care from the top doctors and nurses in the country enabling me to do everything I wanted to do," she continued, as the wind fluttered her notes and playfully tossed her hair.

Laughing and brushing her hair aside, Katie said that over the years, her confidence and potential has grown. "It is through those sliding glass doors, thousands of kids, just like me, have found their own new beginning," she said. Pausing for a moment, she proudly announced that the new hospital will have sliding glass doors in front, giving thousands of kids in the future that same hope and optimism that she felt.

In conclusion, Katie acknowledged that without a strong and true cornerstone, the walls of the building would not be supported and the sliding glass doors wouldn't open. "At the Shriners Hospital for Children, the true cornerstones are the Shriners themselves."

The highlight of the event, of course, was the Masonic Cornerstone Ceremony itself. The Grand Lodge (leadership) of Missouri Masons entered the event in an elaborate and solemn procession. Following which, the stone was checked by the Masons using ancient tools to be certain it was straight, level and plumb. It was then consecrated with corn, wine and oil - symbols of prosperity, health and peace.

Circus Tickets were distributed at the October Stated Shrine Meeting. If you don't have your tickets please get in touch with your Unit’s Circus Ticket Chairman. We want to get the ads and tickets into the hands of our members in time for the holidays. These make great Christmas gifts and stocking stuffers! Remember our goal is that every Shriner needs to sell just 2 books of tickets!

The Advertising Packets have been out for a couple of months and ad sales are just starting to dribble in so we are off to a good start! Please make a special effort to chase after your renewal ads before the end of the year. Renewing an ad from a previous year is really easy. In fact, most of the time all you have to do is ask and they will renew. You can pick up additional Ad Sales booklets from the office. This makes it much easier to sell ads, banners and sponsorships. It has all the information and prices and makes a professional presentation. If you have never sold a circus ad or sponsorship, the easiest and most popular sponsorship to sell is the $500 Banner Program. It is the best deal going for businesses! Their banner will be included in the electronic banner boards and is in full color. It will be displayed during every circus performance, and they will receive 2 books of general admission tickets (a $300 value) all for their $500.

Bumper Stickers and Children’s coupons will be available at the November Meeting and the Yard Signs will be available at the December Meeting. If you cannot make it to the Shrine meetings please stop by the temple office and pick up whatever you need. All this marketing materials won’t do any good sitting in the office. Take whatever you can use.

If your Unit/Club/Committee would like to get involved “at the circus” we can always use your help. Just contact Mark, our Circus Director and he will get you signed up for one of the several areas where we need help.

The Ringmaster program will be back this year. Sell 2 books of tickets and receive a specially designed circus cap, sell 5 books and receive a circus polo shirt, and sell 10 books of tickets and you become a member of the “Ringmaster’s Club” and you’ll receive a specially designed circus ringmaster jacket.
